

LITTLE PEOPLE

Find Your kindness

Rend Collective Experiment

Capo 3

Verse 1:

G **Gmaj7**
Little people slipping through the cracks,
Em7
We've got a system but it won't bring them back;
Cmaj9 **G** **D**
Disappearing down blackholes of what we don't want to know.
G **Gmaj7**
Civilisation seems to rest
Em7
On all the people that we can forget;
Cmaj9 **G** **D**
I don't wanna live off the grid any more.

Chorus:

G
Find Your kindness why can't we
Am7
Find our kindness,
Cmaj7 **G** [1/2. D6] [D]
Find Your kindness now. (now, now.)
[Last x **G** **D** **G**]
[kindness now, now, now.]

Verse 2:

Twenty first century life,
Neon lights and satellites;
How do we miss what's before our eyes, eyes.
Media can freeze ya
Into collective amnesia;
I don't want to forget anymore.

Verse 3:

When did democracy
become a paper chasing bureaucracy?
All of our hands got tied and we don't know how to be kind.
Put a face to a name
a real person to the numbers game
I don't wanna hesitate anymore, anymore.
