Verse 1:

A Bm
The angels watched in mystery
F#m D
As You took off Your glory;
A Bm
Instead You put on human skin
F#m D
To reconcile all things again.
D E
You stepped into the darkest night
F#m A
To Blaze the skies with Heaven's sign;
D E
That we all matter, we are loved,
F#m A
That Your heart beat's strong for us.
D A E
What a picture of love!

Verse 2:

A Bm
The angels watched in mystery
F#m D
As You bore all our misery;
A Bm
The hands that crafted worlds and stars
F#m D
Chose the pain of human scars.
D E
You came to die the lowest death.
F#m A
To show the human soul its worth,
D E
And as You burst through the darkness,
F#m A
You raised the dead in all of us.
D A E
What a portrait of grace!

Chorus:

A
You are Magnificent,
Bm
You are Magnificent,
F#m D
You are my Rescuer.
A
You light the darkest night,
Bm
You light the darkest night,
F#m D
You are the shining Star.
