Into the wide open spaces

No prison wall can contain us
Your beating heart makes us fearless

We are free

Free as a bird on the wind

F C G

Love cannot be tamed

F C G

You shatter every chain

C F C

Let our praises run wild and free

G F C

Your lion heart is alive in me

Am F C

Let our freedom and joy begin

G F C

With You we're dancing upon our chains

G F C

With You we're soaring on eagles' wings

Take us beyond our horizons
Leading us into Your wildness

We are free

Free as a bird on the wind

You are the greatest adventure

You are my uncharted waters

We are free

Free as a bird on the wind

Love cannot be tamed

You shatter every chain

Let our praises run wild and free

Your lion heart is alive in me

Let our freedom and joy begin

With You we're dancing upon our chains

With You we're soaring on eagles' wings

C F C G

You made us for so much more

C F C G

You take us to greater shores

Am F C G

You raise us above the storms

F Am G

We rise on eagles' wings

F Am G

We rise on eagles' wings
